LITHO-PERF/CS

Offering the same on-press perforating performance as the standard side aligned Litho-Perf, CS has center mounted teeth for increased pressure and longer runs and extended life. (10' - \$23.75 / 20' - \$39.95)

LITHO-SCORE/CS

Center mounted CS for snap-out or snap apart forms. Available in 3 & 4 tooth blades. The 3 tooth is available for paper only. (10' - \$23.75 / 20' - \$39.95)

LITHO-SNAP/CS

Has no sharp square edges that risk cutting the heavier stocks. It's wider, rounder scoring edge minimizes cracking, excellent for the heavier coated, un-coated, cast coated, covers & any job where scoring through solid coverage is required. (10' - \$23.75 / 20' - \$39.95)

LITHO-SLIT/CS

The straight cut center mounted blade performs virtually all types of die cutting and cut-outs gives you the advantage of in house quality control. (10' - \$ 23.75 / 20' - \$39.95)

MICRO-PERF/SS

30, 40 and 50 tooth blades, Micro-Perf is for perforating continuous forms & laser printer forms with no stray fibers or rough edges. Available in .022 high forpaper or lightweight card stock. (10' Rolls 30T - \$31.95 / 40T - \$39.95 / 50T - \$46.95) (20' Rolls 30T - \$47.95 / 40T - \$63.95 / 50T - \$80.95)

LITHO-PUNCH

Litho-Punch creates a circular punched-out portion in the printed area that remains lightly attached for removal by the end user. Available in diam. of 1/8, 3/16, 1/2, 1, 1.25 & 1.50" Other sizes are available upon request. (1/8*1/2" - \$12.25 / 1"*1.25"*1.5" - \$13.50)

LITHO-DIES

Litho-Dies are for die cutting on the press. The most common requested are the door knob/hanger. Available sizes of 1 & 1.5". Window dies available in various other sizes. All dies are mounted on shim stock and are heat treated for durability. (*Specify length of Slit*) (*Call for Prices and Specific Quotations*)

SABER-TOOTHED PERFORATION BACKING

Saber-toothed perforation backing grips the tympan on the letterpress and not only keeps the rule in register, but also protects the tympan. The backing is secured with double faced adhesive with the sharp, curved teeth along the edge gripping the tympan. Saber-toothed backing is available in 15 foot lengths of 1/8" or 1/4" wide. (15' - \$10.95)
